

Quick-Start Guide: Community Mode

1. Choose your **state**

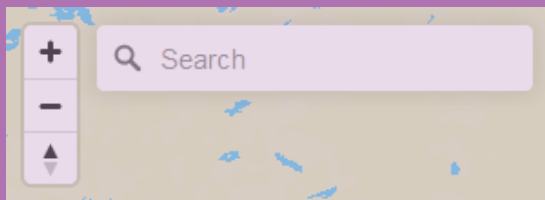

2. Choose your **units**

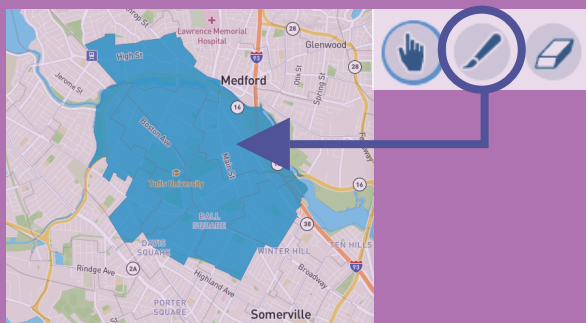

Block groups and precincts will both work. Scroll down on the Districtr page for more information about units.

3. **Zoom** to your community

4. **Map** your community

5. Add a **name** and **narrative**

Aim for a short paragraph or two.

6. Add and describe **important places**

This adds context to your narrative.

7. **Share** your map

Click "Share" to generate a unique link, and submit the link to your state's portal or event!
